- 13 **real property within the political subdivision or registered**
- 14 **voters residing within the political subdivision; or**

- 16 **within the political subdivision.**
- 17 **(5) The state board of accounts shall design and, upon request**
- 18 **by the county voter registration office, deliver to the county**
- 19 **voter registration office or the county voter registration**
- 20 **office's designated printer the petition forms to be used solely**
- 21 **in the petition process described in this section. The county**
- 22 **voter registration office shall issue to an owner or owners of**
- 23 **real property within the political subdivision or a registered**
- 24 **voter residing within the political subdivision the number of**
- 25 **petition forms requested by the owner or owners or the**
- 26 **registered voter. Each form must be accompanied by**
- 27 **instructions detailing the requirements that:**
- 28 **(A) the carrier and signers must be owners of real**
- 29 **property or registered voters;**
- 30 **(B) the carrier must be a signatory on at least one (1)**
- 31 **petition;**

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and

(D) govern the closing date for the petition period.

Persons requesting forms may be required to identify themselves as owners of real property or registered voters and may be allowed to pick up additional copies to distribute to other property owners or registered voters. Each person signing a petition must indicate whether the person is signing the petition as a registered voter within the political subdivision or is signing the petition as the owner of real property within the political subdivision. A person who signs a petition as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition as a real property owner must indicate the address of the real property owned by the person in the political subdivision.

(6) Each petition must be verified under oath by at least one (1) qualified petitioner in a manner prescribed by the state board of accounts before the petition is filed with the county voter registration office under subdivision (7).

(7) Each petition must be filed with the county voter registration office not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether each person who signed the petition is a registered voter. The county voter registration office shall not more than fifteen (15) business days after receiving a petition forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of real property in the political subdivision; and

(B) whether a person who signed the petition as an owner of real property within the political subdivision does in fact own real property within the political subdivision.

(9) The county voter registration office shall not more than ten (10) business days after receiving the statement from the county auditor under subdivision (8) make the final determination of the number of petitioners that are registered voters in the political subdivision and, based on the statement provided by the county auditor, the number of petitioners that own real property within the political subdivision. Whenever the name of an individual who signs a petition form as a

1 registered voter contains a minor variation from the name of  
 2 the registered voter as set forth in the records of the county  
 3 voter registration office, the signature is presumed to be valid,  
 4 and there is a presumption that the individual is entitled to  
 5 sign the petition under this section. Except as otherwise  
 6 provided in this chapter, in determining whether an  
 7 individual is a registered voter, the county voter registration  
 8 office shall apply the requirements and procedures used  
 9 under IC 3 to determine whether a person is a registered  
 10 voter for purposes of voting in an election governed by IC 3.  
 11 However, an individual is not required to comply with the  
 12 provisions concerning providing proof of identification to be  
 13 considered a registered voter for purposes of this chapter. A  
 14 person is entitled to sign a petition only one (1) time in a  
 15 particular petition and remonstrance process under this  
 16 chapter, regardless of whether the person owns more than one  
 17 (1) parcel of real property within the subdivision and  
 18 regardless of whether the person is both a registered voter in  
 19 the political subdivision and the owner of real property within  
 20 the political subdivision. Notwithstanding any other provision  
 21 of this section, if a petition is presented to the county voter  
 22 registration office within thirty-five (35) days before an  
 23 election, the county voter registration office may defer acting  
 24 on the petition, and the time requirements under this section  
 25 for action by the county voter registration office do not begin  
 26 to run until five (5) days after the date of the election.

27 (10) The county voter registration office must file a certificate  
 28 and each petition with:

29 (A) the township trustee, if the political subdivision is a  
 30 township, who shall present the petition or petitions to the  
 31 township board; or

32 (B) the body that has the authority to authorize the  
 33 issuance of the bonds or the execution of a lease, if the  
 34 political subdivision is not a township;

35 within thirty-five (35) business days of the filing of the petition  
 36 requesting a petition and remonstrance process. The  
 37 certificate must state the number of petitioners that are  
 38 owners of real property within the political subdivision and  
 39 the number of petitioners who are registered voters residing  
 40 within the political subdivision.

41 (11) If a sufficient petition requesting local public question  
 42 process is not filed by owners of real property or registered  
 43 voters as set forth in this section, the political subdivision may  
 44 issue bonds or enter into a lease by following the provisions of  
 45 law relating to the bonds to be issued or lease to be entered  
 46 into."

47 Page 25, line 12, delete "A" and insert "If a sufficient petition  
 48 requesting the application of the local public question process has

- 1 **been filed as set forth in section 3.5 of this chapter, a".**
